STORAGE CLOSET REMINDER

Just wanted to remind everybody, we're doing a maintenance check on all storage spaces in the complex. Let us know by July 31st if you have a storage space, where it's located and whether you intend to keep it or not. If we don't hear from you by the 31st, the space will be cleaned out.

AUGUST MEETING

The next board meeting will be held on Thursday August 3rd at 9:30 in the clubhouse. It's open to anybody who wants to attend. If you have any issues and/or concerns you'd like the board to address, feel free to contact us or stop by.

WATERING AND DEADHEADING

For those of a certain generation, this isn't about the pop group the Grateful Dead! We're talking about snapping off any dead flowers on our flowering plants after they've gone kaput. This not only keeps the plants looking a lot better, but also ensures more flowers will bloom. If you come across any that look like they're ready to meet that great florist in the sky, feel free to pluck away! We try to keep on top of it, but we can always use the help!

We have a MAJOR alopecia looking lawn in a lot of spots and with the drought, it's really looking sad. We're going to hopefully try to remedy that somewhat next

year, but for right now, we're focusing on keeping the flowers and bushes alive. If you have some free time and are looking for some wet and wild "fun", we can always use help with the watering!

KEEPING THE TERRACE CLEAN

We're not talking about the Union Terrace here, but the grassy strip along the front of West Towne Condos. Just a heads up. Putting anything there, e.g. furniture, mattresses, clothes, etc., can cost you a fine from the city. Consider donating to Easter Seals, Goodwill, St. Vincent's or Habitat For Humanity. They will usually pick up donated items and you can get a tax credit to boot!

SUGGESTION BOX

If at any time, you have any suggestions, comments or requests, or you have any topics you want covered in the newsletter, feel free to leave a message in the suggestion box on the far end of the counter in the clubhouse. Be sure to include your contact info. Our psychic abilities aren't what they used to be and it's hard to respond if we don't know who you are.

COMPLETED PROJECTS
